Dr. Lavjibhai Ranchhodbhai Patel and Dr. Jamnadas Devarajbhai Dalsaniya jointly initiated the thought process for the establishment of Shri Balubhai Harjibhai Patel Education Trust. Both contributed a donation of 101 units towards starting this trust.

The idea was solidified with Dr. Lavjibhai Ranchhodbhai Patel being appointed as the managing trustee, and he was also empowered to make necessary decisions. The trust was officially founded on February 6, 1984.

Balubhai Harjibhai Patel, whose entire life was dedicated to social service and whose name the trust bears, had served diligently in various organizations alongside his father, Gondal's former parliamentarian. He devoted his entire life's earnings towards the development of society, focusing on the education and progress of sons and daughters of the community.

In recognition of his service and commitment, former students contributed a sum of 1,11,11 rupees to Balubhai Harjibhai Patel, which he graciously accepted and, in turn, dedicated to the development of society through the establishment of Balubhai Harjibhai Patel Education Trust. Since its inception, the trust has received significant contributions, akin to the contribution of a sage-like figure, Balubhai's father, and has been instrumental in founding the trust.
